First Steps in Governance Award

This Award provides opportunities for young professionals to gain governance experience in the not-for-profit sector.

Applications are sought from individuals who:

- Are motivated to further their business experience, gain an insight into good governance practice and learn about the dynamics of sitting on a board or trust
- Are able to demonstrate leadership, integrity and enterprise in their careers
- Have a range of experience and skills (commercial, community, public service)
- Able to commit the time to prepare for and attend meetings and associated events
- Have not held a significant governance role to date (this does not include a role in a local sports, school or community organisation or club)

Benefits include:

- A governance Internship with **Ronald McDonald House South Island**
- One year's complimentary membership of the Institute of Directors
- One year's complimentary attendance at all Canterbury branch members' events where members can learn and share their experiences
- \$850 towards an IoD director development course of your choice to be taken in the 12 month period following the Award
- Mentoring from an experienced director
